**KNIGHTS TEMPLAR.**—Most Eminent Sir Knight W. LaRue Thomas, of Kentucky, Grand Master Knight Templar of the United States, with headquarters in Washington, escorted by about forty members of De Molay Commandery, No. 4, (mounted), of Washington, and other Templars from Richmond, Beverly, Mass., and elsewhere, last night visited Old Dominion Commandery, No. 11, of this city.

In the party were Eminent Commander P. B. Otterback, Generalissimo Thomas C. Henderson, Recorder Charles Patten, Senior Warden Robert Cook, Prelate Maurice Otterback, Past Eminent Commander J. F. O'Neil, and Past Eminent Commander W. T. Galihier, all of De Molay, Eminent Commander Jesse Lee, of Orient Commandery, No. 5, and Harrison Dingman, Past Eminent Commander of No. 1. The party was received with great cordiality by the members of Old Dominion Commandery, and Eminent Commander Smith made an address of welcome. Grand Master Thomas responded with some interesting talk about Templar Masonry. The Templar degrees were then conferred upon ex-Judge J. B. McCabe, of Leesburg, and Mr. C. H. Ford, of Clifton, after which a sumptuous banquet was served in the banquet hall.

R. E. E. Downing, Past Grand Commander, acted as toast master. Frank Cunningham, of Richmond, sang several songs and brief speeches were made by others. The Washington men returned home by a late train. The evening was heartily enjoyed and will long be remembered by all present.

**PERSONAL.**—Rev. Father Tierney, of Falls Church, will deliver the Lenten sermon in St. Mary's Church next Tuesday night.

Rev. W. C. Campbell, D.D., of the First Presbyterian Church of Roanoke, and Moderator of the Synod of Virginia, will reside in the Second Presbyterian Church to-morrow morning and night.

Mrs. Edward Lawler to-day suffered a second stroke of paralysis at her home on Wilkes street, and is now in a critical condition.

Mrs. S. E. Morgan and daughter, Mrs. E. McIntire, who have been visiting Mrs. Morgan's sister, Mrs. D. W. Whiting have returned to their home in Hutchinson, Kan.

Miss Maud Francis, of Hamilton, Loudoun county, is visiting her cousins, the Misses Francis, on north Alfred street.

Among the strangers in the city yesterday were J. H. Baker and Clarence Downes, of Beverly, Mass.

Judge R. S. Tebbins and ex-Judge J. B. McCabe, of Loudoun, were the guests last night of Mr. C. B. Marshall at his residence on upper King street.

Miss Mary Tebbins is seriously ill at her home on Queen street.

Councilman Jos. S. Beach is quite sick with grip.

**FATAL ACCIDENT.**—A distressing accident occurred last night in a house on the west side of Lee street, between Prince and Duke, which resulted in the instant death of Mrs. Mary Geary, an old and well-known resident. During the early part of morning a young lady living in the neighborhood, who has been kindly visiting the old lady daily, entered the house of the deceased as usual, and upon proceeding to the back room was horrified to find the body of her hostess lying across the back of a sofa with a terrible gash on her forehead.

From all appearances it seemed that the unfortunate lady had fallen down the stairs leading to the upper rooms, and in doing so her head had come in contact with the back of the sofa. An alarm was given and neighbors entered, and later the coroner was notified, but an inquest was deemed unnecessary, as it was apparent Mrs. Geary's death was the result of an accident.

During the night people living in adjoining houses heard a noise which seemed to have been caused by some one falling down stairs. This was between ten and eleven o'clock, and it is supposed the fatal accident occurred then.

**PROMOTED.**—At a meeting of the Pennsylvania Railroad directors in Philadelphia Wednesday the promotion of Charles A. Chipley, from assistant general freight agent to general freight agent of the company, was confirmed. Mr. Chipley is a son of the late Samuel N. Chipley of this city and is well-known here.

## LOCAL BREVITIES.

**RUNAWAY.**—A horse attached to a wagon which had been left standing near the corner of King and Pitt streets this morning became frightened at a passing electric car and started to run away.

Mr. Gilbert Simpson (one of the candidates for Mayor), at the imminent risk of injury to himself, grasped the horse's bridle and prevented it from dashing into a crowd of pedestrians who were on the street at the time. In doing so Mr. Simpson was dragged from twenty to thirty feet, but he did not relax his hold until he had brought the frightened animal to a standstill.

**IN A RECEIVER'S HANDS.**—The National Life Maturity Insurance Company, a West Virginia corporation, was put in the hands of a receiver in Washington yesterday. This action was taken by Justice Cox, on application of Frank Hume, one of the stockholders, and Job Barnard was named as receiver with bond at \$150,000. There are now pending against the company claims for \$104,000, death losses, and about \$239,000 in claims for the surrender value of investment certificates, now presented or likely to be presented.

**A NEW TUG.**—The new tug Edith Goddard Winslip, built under contract by John C. Froelich & Co., of Baltimore, for Meredith & Winslip, of Washington, yesterday made a trial of her engine at the works of the builders. The Winslip is one of the newest boats of her size built in the ship-yards there. Monday the Winslip will make a speed trial down the river and Tuesday she will leave for service in Washington. Gilmor Meredith, of Baltimore, and Henry C. Winslip, of Washington, are her owners.

**THE MARKET** is beginning to take on a spring appearance and to-day more "greens" were offered than on any Saturday this year. The display of flowers, too, was quite pretty. The hucksters and butchers had full supplies of everything in their lines, and the supply of fish was quite large and varied. Poultry was rather scarce and prices were a shade higher, chickens selling at from 60 to \$1 a pair. Eggs sold at 12 cents a dozen and butter at 20a25c a pound—a decline.

**D. OF A.**—The meeting of Mount Vernon Council, Daughters of America, held last night, was largely attended. One candidate was initiated and seven applications for membership received. An invitation was received from the Jr. O. U. A. M. entertainment committee and accepted to be present at the supper to be given in Odd Fellows' Hall on the 25th inst. One this occasion the State officers of Maryland will be present.

**FINGERS CUT OFF.**—Mr. Wm. Fones, while at work this morning in the planing mill of the lumber firm of J. H. D. Smoot, got his hand caught in a molding machine at which he was at work and which cut off the ends of two of his fingers. He was attended by Dr. Jones.

**CLAM SOUP.**—Mrs. A. Rammel, from her restaurant on Royal street, sent to this office to-day a bowl of clam chowder, which was deliciously prepared and most temptingly served. It was heartily enjoyed by those who partook and was pronounced fine.

**REPORT TO BE FILED.**—Mr. G. L. Booth, special commissioner, will file his report in the Circuit Court on Monday in the case of J. L. White v. the Farmers and Mechanics' Insurance Company et al.

Claims in all styles at Rammel's Restaurant Dining room open on Sunday.

A meeting of the Woman's Christian Temperance Union will be held on Monday next, at 2:30 p. m., in the M. E. Church South.

This office was serenaded to-day by an echophone, the music from which was transmitted from the Hotel Fleischmann over the Home telephone wires.

Two houses have already been built at Fishtown and others will be erected there next week. An electric light will also be erected there in a short time.

A deed of partition was filed in the Corporation Court to-day of the property on Pitt street, between Princess and Oronoco, belonging to G. W. P. and J. E. P. Ramsay.

The little son of Mrs. Riner, who was run over by a team on south Patrick street one day this week, has entirely recovered. The child's injuries were never so serious as first reported.

Golden Light Lodge of Good Templars has sold its furniture to Belle Haven Council, Jr. O. U. A. M., and has given up its lease of the rooms on Fairfax street, which it has occupied for some years.

A lamp exploded at the residence of Mrs. Frank Grimes, on upper Prince street, last night, and the burning oil set fire to the carpets, wainscoting, &c. Some clothing was also burned, involving a loss of about \$35.

The republican city convention which met in this city last fall and which adjourned to meet subject to call, will reconvene at Odd Fellows' Hall on Tuesday night next, when business of interest to the republicans of this city will come up.

There was but one case before the Police Court this morning, that of two colored women—Becky Branson and Celia Thompson—who were charged with abusive language toward Gertie Level, also colored. The accused were dismissed and the costs assessed against the complainant.

Mr. E. T. M. Cleary, a lawyer of Washington, counsel for Mr. Matt Kersey, now said to be in a Cuban prison, will hold a conference with Secretary Sherman on Tuesday evening in reference to the release of his client. Mr. Cleary will be aided by some of the Maryland congressmen.

The spring number of the quarterly Tales from Town Topics has been received from the publishers, 208 Fifth avenue, New York. The story, "A Martyr to Love," by Joanna E. Wood, is decidedly clever and interesting. The shorter sketches are good, and in its new cover, the book has all the daintiness of the season.

## MONETARY AND COMMERCIAL.

New York, Mar. 13.—The stock market showed aggressive strength this morning and the leading issues sold up to the best figures of the week. There was a notable increase in commission house orders and arbitrage firms were also purchasers of the leading international. Prices rose 1/2 to 2 per cent, and the improvement was well distributed. Toward 11 o'clock there was a disposition to realize profits and a part of the early advance was lost. Speculation at the hour named was firm.

BALTIMORE, Mar. 13.—Virginia 3s, new, 73 1/2 asked; do century 62 3/4 bid.

## LAGER BEER.

## TIVOLI BREWERY.

## TO THE TRADE.

IN ANSWER to the numerous requests for more BOCK BEER, we regret to state that it is all gone, and we will have no more until next year. We made double the usual quantity this season and sold it all in half the time. This year's "BOCK" has been the best we ever brewed, and we must decline to increase the great reputation it has made for our product by attempting to supply the demand with an imitation article.

Our "BOCK" has thoroughly demonstrated that the public know and appreciate a HIGH GRADE BEER—one that is brewed exclusively from HOPS AND MALT; and we shall endeavor to hold our present position in public esteem by maintaining the highest standard of excellence in the manufacture of our PALE STANDARD AND EXPORT BEERS, now sold on draught and in bottles by all first-class saloons. Very respectfully,

ROBERT PORTNER BREWING CO.,  
ALEXANDRIA, VA.
